"Little Ox"

Dear "Little Ox"

I have enjoyed being in your classes this year and I hope we are in some together next year. Now that we are neighbors maybe we can chum around. See you around this summer.

Bobby Sanborn

"Bev" Fairbright

Dear Virgil,
Here's wishing you the best of luck in the 7th grade. Hope you do as well as you did in the 6th. Hope to see you this summer.
Delores Lemmon

I want to wish you much luck in the 7th grade. I wish I could be in your class. Always remember sixth hour Arithmetic. Be good—
Billie Ward

Virgil Dear!

Dear "Little Orf" this is

in

Ellie

Dearest Virgil,

You know, I never realized what a swell guy lived down the street until you + Sara Ann started going together, then I knew you were the best or "Sarey" wouldn't be so crazy about you. I don't know about you but I really feel honored that we are such good friends. I'll never, ever, forget all the fun we had this winter. Hope the time will come that we can all be together again. I don't think I need to mention any names. Well, it's something to look forward to anyway. I wish one of us were going to be around K.C. this summer to keep an eye on Sarey but I guess she can take care of herself. Here's to a great year ahead of us and to many more of friendship. The best of everything to you and Sara Ann. You're both tops with me!

Sincerely, "Bitsy" Jarvis

Property of Sara Ann Cummins (whole page please)

Dear Virgil,

Here it is the end of the year, and all sorts of things are running through my mind. How we always seem to get along, and how good you are to me. I might say here that if a few other boys would take lessons from you, they would be a lot happier.

You've taught me so much. That one can't have everything handed to them on a silver platter as we through life, and one can't always believe everything they hear. You know what I mean?

To me, this year has been almost to good to be true. There's been a lot of work, but a lot of fun too. I could start saying "remember — + — + —, but this whole annual couldn't hold all of our memories.

Your "jokes" are so sweet. Always be good to them Virgil, because they deserve credit for bringing up such a fine son. I truly love them, and Buddy and Jerry and Gay — and Jack too!

Its hard to write a whole page, because if I get started I can't stop on one page and I'm afraid I must because you're so darn popular your whole book is "smeared".

Really Virgil, everyone likes you, and you can be something if you want to! You know this I feel about that! Really Honey, buckle down next year for me if nothing else.

Of course, I think you're the handsomest, smartest nicest etc. etc. etc., boy I know I constantly worry about competition. (Something you need never mind.)

I hope you and Leon can buddy around this summer when I'm gone, but save some time to think of me.

Be good this summer and next winter ——

Till then I remain

Yours
with
Love
Sara Ann

You got some swell parents and don't ever think otherwise. I hope we are working together this summer, and we can have a lot of fun. Until next year this time—

Well Virgil as I said it looks like I won't be able to play football on the team next year (this passing) but I'm sure our side of the line will still be the best. You can do my part for me. We really took Coffeyville this year didn't we. Of course it couldn't have been done without the "48"ers. No kidding I hope you guys can take 'em next year and make it two in a row
